Hand-poured with love from an all-natural glycerin honey soap base, these are just too adorable for your little one's bath time!

Originally made for my own little guy who suffers from eczema, these contain sensitive-skin friendly organic ingredients like honey for it's known antimicrobial, antifungal and natural humectant properties. Let little Bear nourish dry skin and leave you feeling silky soft.

Due to seasonal honey used and the amount of mica added at time of manufacturing, honey bear colors will vary.

Bar weight: 2 oz.

Ingredients: sustainable glycerin, organic honey, vitamin E, and gold shimmer mica.
